

Declaration
on support for a transparent editorial policy for the
scientific and information journal
"Statistics of Ukraine"
(in accordance with the "Declaration IT Tools in Academic Publishing:
between Expectations and Challenges", July 5-6, 2018,
Leiden University, The Netherlands)

Dear readers!

For your attention, we will present a scientific and information journal
"Statistics of Ukraine".

The editorial board supports the principles of transparent editorial policy, in particular, the four stages of publication and peer review in the preparation of scientific publications.

Editor in Chief
scientific and information journal
"Statistics of Ukraine",
Dsc. (Public Administration),
Professor

Oleksandr Osaulenko
